SOURCE OF ACTIVITY:

The above officers were working as contracted, uniformed security officers for the Hollywood /Sunset Business Improvement District / Andrews International, 6801 Hollywood Blvd, Suite #169, Los Angeles, Ca 90028 - (323) 465-0122.

OBSERVATIONS:

While patrolling the area of the 6300 block of Yucca St. we observed the Deft. sitting at a table of 6363 Yucca St. with a large can of an alcoholic beverage we recognized as "Four Loco" 12% alcohol by volume. We further observed the Deft. lift the can of "Four Loco" to his mouth and take a drink from green straw in the cans open top. We approached the Deft. and contacted him. While engaged in conversation we noticed that his teeth were wired shut due to a recent broken jaw. This explains his use of the drinking straw. The Deft. asked if we could let him go and added that he would not drink any alcohol in the area. We recovered the "Four Loco" malt beverage can and observed it's label stated it's contents as 23.5 fluid ounces. It was $\frac{3}{4}$ full.

The Deft. was handcuffed and they were double locked after checking for correct fit. He was then placed into the back seat of our patrol vehicle, seat belted in and transported to L.A.P.D. Hollywood Station for processing.
